

2022 Bible School Season

Dear Bible School Committee,

Bible school season is approaching. Bible school is an important outreach for your congregation. Children come together to learn Bible stories, sing, and study lessons that have value for their entire lives. This is an opportunity to invite neighbors and friends.

Ordering notes:

Orders will be shipped to the person who orders the VBS materials unless we are instructed differently. Bible school books are usually billed to the deacons, church treasurer, or book agent; generally we do not bill the Bible school committee. Unless requested otherwise, we will bill the deacons, church treasurer, or book agent based on previous order history. It is helpful to us if the account or invoice number is noted on the payment so we can verify what invoice is being paid.

Notes about supplies:

The information here and the order form reflect only Gospel Publisher's VBS course. The CLP course is also available, although it is a little more advanced. We will send you an order form for CLP also, on request.

The More I Sing songbooks are available, plus *Sing for Jesus* and *Silver Gems in Song*. A list of the songs in each book can be found at gospelpublishers.com/canada/downloads/information/. Using one of these songbooks will save your singing teachers the work and effort of making up their own collection and looking after permissions.

Two Bibles are listed on our order form. Some Bible schools will give a Bible to children from the community who do not have a Bible. Features include the words of Christ in red and full-colour maps. Either is suitable for use at Bible school or as a gift for students.

If you have any more questions, please give us a call. We will be glad to help.
