Wedding Bible Options

The *Thompson Chain Reference* Bible has been the most popular choice of brides for many years. At present they are not an option. (The company has sold to another publisher and is in the process of revising their product. We are not sure what the quality of the Thompson Chain Bible will be once they are back in print.). The following Bibles from Cambridge are suitable alternatives.

Cambridge Bibles

Cambridge KJ566:XR
Concord Reference Bible with a goatskin cover. This Bible does not have the *Thompson Chain* references; although it does feature standard center-references and a nice concordance. The *Thompson Chain* is more of a study Bible. The goatskin cover is ultra-soft and durable. Page size is 5 ½ x 8 ¼; thickness is 1 ¼ inches.

Cambridge KJ564:XR
Same as above with a Calf-split leather cover. A quality genuine leather. Not as soft as the goatskin and with a different texture. Page size is 5 ½ x 8 ¼; thickness is 1 ¼ inches.

Cambridge KJ456:XR
The Cameo Bible is a high-quality Bible. The print is clear and readable, and the size is handy. Page size is 4 11/16 x 6 15/16 in; thickness is 1 1/4 in. This KJ456 model is black goatskin genuine leather. (This is a comfortable take-to-church size.)

Suggestions and options for Bible Imprints

Attached is a sample type sheet showing the different fonts available from Gospel Publishers.

We can use a smaller type for any message on the inside cover (also known as the flyleaf), and a larger type for the name on the cover. With this in mind, the Goudy font is the only one we have available in two type sizes. However, you may choose one of the other fonts if you don't mind having the same size inside and outside. We offer the option of silver font as well as gold; however, it is best to match colours with the other imprinting already on the Bible.

Our imprint machine allows a maximum of 3 lines inside – 1 at the top and 2 at the bottom. If choosing three lines the date is usually at the top, with a short message and the bride's name at the bottom. (If you've seen longer messages, they have not come from Gospel Publishers.)

For example:

June 25, 2020

With all my love,
Melissa

Other possibilities include:

On our wedding day…
With all my love, Melissa

Love makes all hearts gentle,
With all my love, Melissa

All my love forever,
On our wedding day, Melissa
